UNICO™

THE LOVEJOY

space to create

In THE LOVEJOY creative work spaces, companies thrive in a free-thinking environment with abundant natural light and an elevated terrace garden. Next door, you'll find innovative living spaces with ground level retail shops that make life in the Pearl all you want it to be.

- 15' exposed concrete ceilings / 10'6" drop ceilings
- Tall windows for abundant natural daylight
- Bicycle parking
- Showers on all office levels
- Pursuing LEED® Silver certification
- Great opportunity to differentiate your company and create a unique work environment
